

CUCET

Eligibility

The eligibility criteria for CUCET 2022 for the undergraduate program are:

Candidates should score a minimum of 50% marks in their +2 examination (Class XII) in the General category and 45% marks for SC/ST candidates.

Candidates should have taken up subjects in +2 depending upon the course they opt for.

What is the selection procedure for CUCET?

After the candidate has successfully attempted CUCET 2022 and cleared the exam, he/she has to sit for a counseling session organized by the authority. The university will be allocated depending the scores of CUCET exam and also on the preference given by the candidate while filling the application form. This counseling session is created for all the qualifying candidates, and the seats are provided on a Merit basis.

Counseling for CUCET happens individually at every Central University for the selected candidates. If the candidate's name is on the counseling session's list, he/she will be invited by the CUCET consortium. Then, on registering on the official website, the login credentials are given to the candidate. If the candidate has been called on to offline counseling, he/she will be required to reach the University campus and attend the session.
